(9) Independent charge of a T.R. ... ,, ... 3 months

Probationary Asst. comrs. who qualify themselves fully by passing the prescribed examinations will be confirmed with effect from the date of expiry of the term of probation calculated from the date of their appointment.

8. It is reported that all the Probationary Asst. comrs. have undergone qualifying training and that all of them have passed the Revenue Accounts and Criminal (Higher) Examinations excepting Mr. Sirajuddin Meccai, who has yet to pass the Kannada Examination and Mr Y. C. Hombalayya the Accounts Examination. Mr Hombalayya who sat for the Examination held in the month of May 1945, is declared to have passed in the Accounts Examination. Mr Sirajuddin Meccai is, therefore, the only officer who is not fully qualified for leaving confirmation.

9. As regards training in office work, the Rev. comr. says that all the Probationary Asst comrs have undergone the following items of training :

(1) Training in the Dt and Sub-div offices ...

(2) Engineering training ... ...

(3). Survey training ...

(4) Accounts training

(5) Taluk office training. 3 to

Mr M. A. Sivarangarajan has in addition undergone training in Treasury Work for two months

All the officers excepting Mr Veeraraj who are reported to be given Magisterial training. Mr Veeraraj was too was appointed as Magistrate of the Third Class in Govt Notification no. P. 7361/Cls 37/44 dated 11th May 1945 and he too is now having training in this item of work also. The items in which they had no training are the following.

[Page 42 of Mysore Gazette dated 17-5-45 put up]

(1) Training in Treasury Work. (except Mr Sivarangarajan)

(2) Training as Second class Magistrate

(3) Independent charge of a Taluk.

They could not be given training in these remaining items also as they were posted as Additional Asst. to Dy. Comrs. for being employed on any work including Food control (vide this no. 13764/C.B. 165-43-1 dated 11th April 1945.) This reference is also invited to the discussions in paras 45 to 59 of the notes in the C.B. file no. 200/41 (35, 38, 42+43). This reference is also invited to the following minute of the Dewan dated 27-12-44 in para 70 of the notes in the same file regarding the confirmation of Probationary Asst. Comrs.

"But their confirmations cannot be

"G"

... "... be postponed if they should qualified ... themselves by passing the prescribed departmental examinations. This was the understanding on which their Course of training was altered and they were posted to regular charges."

I agree WT

In view of this non completion of training in certain items of work does not stand in the way of confirmation of these officers provided they are otherwise qualified ...

"H" 10. All the officers are qualified by passing all the prescribed examinations except Md. Siajuddin Haccai who is yet to pass the Kannada Examination. He was one of the candidates that sat for the Kannada Examination held on 7th Feb. 1945. But he did not secure the minimum number of marks required for a pass. The Rev. com recommends that he may also be confirmed subject to passing the examination as in other cases of mr. Ramachandrasinhji. In this connection kind reference is invited to our discussions in CB file no. 122-43-(1-3) relating to the confirmation of mr. Ramachandrasinhji. In his case an enquiry was made as to when the next examinations would be held and orders confirming him were issued only after he was declared to have passed that examination. In the case of

"Q" mr. Safi Darashah his confirmation was postponed

"R"

deferred until he passed the examination and Shri Humayun Mirza was confirmed as Asst Comr subject to passing the examination. It is for orders whether the Rev. Comr. may be asked as to when the Kannada examination is proposed to be held or whether his confirmation may be made subject to passing the examination.

11. The next point for consideration is the date of their confirmation. All the officers excepting Mr. Hombalayya, having qualified themselves by passing the prescribed examinations within their period of probation, their confirmation may perhaps be ordered with effect from the date of expiry of the period of probation calculated from the date of their appointment as noted in para 6 of the notes above.

~~Re. Mr. Veerabhadrappa. Named in representation is invited to make his own case of the Gen. Circulars and Standing orders. Attention is invited to Standing Order No. 12 which does not specifically recommend orders for the grant of special increments but does not preclude the Govt. from doing so.~~

12. Mr. Hombalayya was appointed Probationary Asst Comr in April 1943. There was not an interval of six months between the date of his appointment and of the Mysore Local Service Examinations,

held in next [illegible] his appointment. He had also failed to pass the examination at the next opportunity provided within one year after the expiry of the period of probation. It is therefore for consideration whether confirmation of his appointment may take effect from 15th Nov. 1944 on the expiry of the probationary period on 13th May 1945 which is the date following the last day of the examination or test which he has passed (as laid down in G.O. No. Ft. 425-9/G.R.-4409-39-3 dated 17th July 1940.)

"N"

13. A list of vacancies that are now available is put up. The question of treating the case of Asst. Comrs. in a view to help their permanent absorption of the Asst. Comrs. who have been acting as such for several years past is separately under consideration. It is also a point for consideration whether the question of confirmation of all the Asst. Comrs. may not be taken up simultaneously.

Commercial number

14. The recommendation of the Rev. Comr. is for orders.

Sd/-
1/7/45.

15. So far as the course of training is concerned, the normal programme in several branches of work could not be fully gone through by the Probationers within the period of two years in view of

their being drafted for regular work (as Food Assistants & other Special work) before completion of probation in view of Special Emergency Conditions & paucity of officers. The non-completion of one or two items may not in the circumstances stand in the way of their Confirmation from date of completion of two years of probation. G Point 1.

16. The next question is the requirement of their having to pass the prescribed local tests. Six of the officers have fully qualified themselves within the two year period, while two of them did not do so. The cases of these are briefly noted below:-

(1) Mr. G. C. Hombaliah: Had yet to pass Accounts by the time of completion of 2 yrs of probation i.e. 15-4-1945. He has, however, passed the examination at the examination held on 13-5-45 & so he is now fully qualified. The point for consideration is whether he may be confirmed from 15-4-45 alone or only from 13-5-45. The difference is only a month and the first exam. in Accts was held ~~only~~ later shortly afterwards. It is for confirmation if the confirmation of this officer also may be allowed from 15-4-45 on completion of 2 yrs. Point (2) For orders

(2) Mr. Md. Sirajuddin Merci has not yet passed the Kannada Exam. The Rev. Comr. refers to a previous instance of an officer (Mr. Ramachandra Suhaji) having been confirmed subject to passing the Kannada Exam. and recommends similar concession in the present case.

This statement is not quite correct. Mr. Ramachandra Suhaji was not confirmed subject to passing the kannada examination, but the results of the examination were awaited and when Govt. became aware he had fully qualified himself the officer was confirmed — with the concession that it was given effect to from an earlier date. On the same analogy, the confirmation in the present instance may perhaps be considered after he actually passes the Kannada examination, the confirmation being allowed retrospectively if Govt. deem fit (a vacancy being reserved).

Point (3)

Advance confirmation subject to passing the examination may lead to some difficulties. (The case

of Mr Hunayun Mirza ~~passed the special tests~~ was in the nature of an exception under special circumstances).

17 [Permanent vacancies are available for the Confirmation of all the Prob A C.S.[x], and the question of releasing some more vacancies by increasing the strength of the C.S. Cadre has been separately put up for consideration. After orders are passed on the latter point, the question of confirmation of the officers now promoted acting as Assistant Comrs will be put up for orders.]

18 The Question of increasing the strength of the reserve in addition to the permanent cadre of Asst Commrs is separately under consn; and the confirmation of acting Asst Commrs may await a decision that Question.

19 So far as the eight Prov Asst Comrs are concerned, Seven are eligible to be confirmed immediately and they may be confirmed in the existing vacancies, with effect from the date when they completed two years'

probation with the modifn that Mr. Y. G. Hombalayya may be so confirmed from 13.5.1945 (instead of from 15.4.1945 when he completed 2 yrs probation) being the date when he may be considered to have become fully qualified by passing the Accts (Higher) Exam.

(ie Date of Exam.)

20 I think it is not desirable that Mr Sirajuddin Mecri should be confirmed ~~now~~ subject to his passing the Kannada Exam. It is likely to lead difficulties, as has been the experience in the past. He can be confirmed when he becomes qualified for it, by passing the Kannada Exam.

RE: CONFIRMATION OF PROBATIONARY ASSISTANT COMMISSIONERS

General and Revenue Secretariat | File No. of 194 | [App. F. III-2

Serial No.

REFERENCE:- Minute of the Minister for Revenue, Para 29.-

The practice that is being followed is that when a number of persons are appointed Probationary Assistant Commissioners at the same time, the relative rank of these officers inter se, is regulated on the basis of the order in which their names are mentioned in the initial order of appointment and the actual date of joining duty of each of the Probationary Assistant Commissioners, is not taken into account in fixing this. (A candidate who may be residing in Bangalore may be able to join immediately, while one who has to come from the mofussil may take a few days). The relative rank may, however, get altered if any of the Probationers fail to acquire the necessary qualifications within the prescribe period.

As regards the date from which confirmation is allowed, a Probationer who qualifies himself fully by passing the prescribed examinations, is under the rules eligible to be confirmed with effect from the date of expiry of the probationary period of two years (calculated from the date of his joining duty). Accordingly, the date from which each of the Probationary Assistant Commissioners is proposed to be confirmed, is indicated below:-

NOTE—Contn. Sheet.

Submitted to His Highness.

With the gracious approval of His Highness the Maharaja, the marginally noted persons were appointed Probationary Assistant Commissioners with effect from the date noted against each.

Name of the Officer.	Date of appointment.
1. Mr. M.A.S. Rajan ..	17 - 2 - 1943
2. Mr. N.S. Ramachandra ..	16 - 4 - 1943

6. Mr. M.D. Sivananjappa ..	15 - 4 - 1943
7. Mr. Mahomed Sirajuddin Meccai.	15 - 4 - 1943
8. Mr. Y.C. Hombalayya ..	15 - 4 - 1943

According to the rules relating to the Mysore Civil Service, these probationers are to be under probation and training for a period of two years, during which period they have also to pass certain Departmental Service Examinations as well as a test in riding. All the Probationary Assistant Commissioners referred to above have undergone equitation training and, with the exception of Mr. Mahomed Sirajuddin Meccai who has yet to pass the Kannada Examination, have passed the prescribed Departmental Service Examinations as well. Mr. Hombalayya, however, passed the Accounts examination only in May 1945, i.e., about a month after the expiry of the probationary period of two years.

As regards the training to be undergone in several Branches of work, it has not been possible for all these officers to put in the full course of training prescribed in respect of the several items as, owing to the demands for officers in connection with the Food Supply operations etc., the services of these Probationary Assistant Commissioners had to be utilised for regular charges before they could complete all the items of their training. This need not, however, stand in the way of their confirmation as the non-completion of training was not due to any fault of theirs, and was in the interests of public service.

The question came up for consideration at a meeting of the Council held on 25th September 1945, when it was resolved that the Probationary Assistant Commissioners who have completed their period of probation might be confirmed from the dates they became eligible therefor. It is, therefore, proposed that the marginally noted seven Probationary Assistant Commissioners be confirmed in the grade of Assistant Commissioners with effect from the date of expiry of the probationary period of two years calculated from the date of their joining duty except in the case of Mr. Hombalayya who will be confirmed from the date of

his passing the Accounts examination viz., 13th May 1945. Mr. Mahomed Sirajuddin Meccai is not eligible for confirmation at present and his confirmation will be considered when he becomes fully qualified by passing the Kannada Examination also.

In pursuance of the instructions of Government in letter No. 2614/C.B. 192-44-2 dated 10-5-1945, all the Officers except Mr. Veeraraj Urs are being given Majisterial training. I enclose for the perusal of Government a copy of letter No. Jl.P.R. 423/44 dated 8th May 1945 received from the Deputy Commissioner, Mandya stating that Mr. Veeraraj Urs has not yet undergone Majesterial training, as orders of Government have not so far been received investing him with Second Class powers.

I have the honour to be,
Sir,
Your most obedient servant,
